ADDENDUM #1

Dear Proponents,

This addendum is issued to reflect the following immediately. It shall be the responsibility of interested Offerors to adhere to any changes or revisions to the RFP as identified in this Addendum No. 1. This documentation shall become permanent and made part of the departmental files.

ATTACHMENT A: PRE-PROPOSAL SIGN IN SHEET

Question 1: Can selected contractors also perform work for private sector clients that will be reviewed by other contractors?

Answer 1: *Yes. However, work for private sector clients (as well as actual or apparent conflicts of interest) may preclude selected contractors from being awarded certain work.*

Question 2: How will estimated review costs be adjusted if the entity being reviewed challenges a reviewer's decision and must be presented at hearing, commission meetings or litigation?

Answer 2: *The initial cost estimate should include the cost of the review and the cost for attending public hearings. The reviewer will be informed regarding the number of public hearings they will be required to attend based on the type of application. If there are additional reviews, we will ask for another cost estimate.*

Please add this Addendum #1 to the original RFP documents and refer to proposal documents, hereto as such. This and all subsequent addenda will become part of any resulting contract documents and have effects as if original issued. All other unaffected sections will have their original interpretation and remain in full force and effect.

Responders are reminded that any questions or need for clarification must be addressed to Rose Moya, Senior Procurement Specialist at rmoya@santafecountnm.gov.
